THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA) OF 1974 SET FORTH REQUIREMENTS REGARDING THE PRIVACY OF STUDENT RECORDS. THESE REQUIREMENTS GOVERN WHO THESE RECORDS MAY BE RELEASED TO, WHO CAN ACCESS THESE RECORDS, AS WELL AS THE ACCURACY OF THE DATA IN THESE RECORDS. ALL FACULTY, STAFF AND STUDENTS SHOULD GUARD THE PROTECTION AND PRIVACY OF THIS DOCUMENT.

THIS EVALUATION IS PROVIDED FOR ADVISEMENT; IT IS NOT AN OFFICIAL RECORD. PLEASE REPORT ANY ADDITIONS OR CORRECTIONS TO YOUR ACADEMIC ADVISOR.

THIS ANALYSIS ASSUMES SUCCESSFUL COMPLETION OF ALL COURSE WORK CURRENTLY IN PROGRESS.

Program: CUBLD, ENGRU, CSEN-BSCS

AT LEAST ONE REQUIREMENT HAS NOT BEEN SATISFIED

Admission Term FA2025 - Catalog Year FA2025
University of Colorado Boulder Graduation Policy

To earn a Baccalaureate Degree from CU, every student must earn a MINIMUM of 120 cumulative credit hours and a 2.00 GPA. Many schools and colleges have credit hour and/or GPA requirements above the minimum. See the specific school and college requirements below.

Credit hours that count toward the university graduation minimums may not be applicable to specific school or college requirements.

EARNED:	67.0 HOURS		
	16.0 ATTEMPTED HOURS	52.0 POINTS	3.250 GPA
IN PROGRESS	18.0 HOURS		

PROGRAM Requirement Term
The Program Requirement Term is the term in which you were first rostered in the College of Engineering and Applied Science at the CU Boulder campus. For you, this is currently recorded as FA2025.
All college-level requirements not subject to the career requirement term are subject to the program requirement

term. For example:
-Hours allowed for independent Study coursework
-Hours allowed for Pass/Fail coursework

PLAN Requirement Term
The Plan Requirement Term is the term in which you were first rostered in your current College of Engineering and Applied Science Major. For you, this is currently recorded as FA2025.
Requirements subject to the plan requirement term are:
-Major-specific degree requirements.

Engineering and Applied Science
Overall Degree GPA Requirement

A minimum University of Colorado cumulative GPA of 2.000 is required for the degree.

3.250 GPA

Engineering and Applied Science
Overall Credit Hour Requirement

Students must complete a minimum total of 128 unique, non-duplicative, applicable credit hours, along with meeting the specified course requirements for their BS degree program, in order to earn a degree from the College of Engineering and Applied Science. The individual course requirements specified below must be fulfilled, as well as the number of applicable hours below must be at least 128.

NOTE: This audit is unofficial, so students must confirm with an academic advisor that all degree requirements (course requirements + credit hours) have been met.

- R

1) The last 45 hours earned toward the degree must be taken after admission to the College of Engineering and Applied Science, and must include CU-Boulder courses only.
This part of the audit is based on your College residency beginning with the following term: FA2025

16.0 HOURS ADDED		18.0 HOURS	
IN-P ---->			
SP26	PHYS1140	1.0 ***	Experimental Physics 1
SP26	PHYS1120	4.0 ***	General Physics 2
SP26	PHIL1200	3.0 ***	Contemporary Social Problems
SP26	MATH2130	3.0 ***	Lin Algebra for Non-Math Mjrs

FA25	CSCI1000	1.0 B+	CS as Field of Wk and Stdy
FA25	COEN1500	1.0 A-	CEAS FYS

- 2) Students can count a maximum of 6 credit hours of Pass/Fail coursework in which they earn a grade of P or P+ toward the credit hours required for graduation. The Pass/Fail option may be used only in classes taken as Free Electives. CU Boulder-approved education abroad grades converted to Pass/Fail are excluded from the Pass/Fail restriction.

3)

Up to 6 hours of Independent Study are allowed for credit toward the BS. Major departments may be more restrictive. A maximum of 3 hours may be taken in any one semester.

- 4) A student may not enroll more than three times in a course that applies toward degree requirements; furthermore, after the third attempt, a student may not substitute an equivalent course.
Here is a listing of repeated courses (Independent Study courses not listed here):

- 5) Listing of all courses that are Incomplete and/or Missing Grades
*Also includes courses that are Registered/In-Progress for the current term

SP26	CSCI2400	4.0	***	Computer Systems
SP26	CSCI3308	3.0	***	Software Dev Methods and Tools
